Attention: 2018 Seniors!!

~ College Awards Available ~

Do you attend a high school in the Everglades Agricultural Area?

OR

Is your parent/legal guardian involved in the Florida sugarcane industry?

If so, you might be eligible to compete for a 2018 college award.

Every little bit helps when it comes to financing your college dreams.

So please consider this opportunity.

The **American Society of Sugar Cane Technologists** is offering monetary **College Awards** to qualified high school seniors graduating in 2018. You qualify if you satisfy these 4 points:

- 1) You are enrolled in an EAA high school (Belle Glade, Pahokee, Clewiston, Moore Haven) **OR** if you're in a non-EAA high school, you have a parent/legal guardian employed in the sugar industry and/or is an active member in the ASSCT;
- 2) You have firm 2018 college plans;
- 3) You have a cumulative high school GPA of at least 3.0;
- 4) You demonstrate superior performance on an **Academic Exercise** (*see below*).

Included with this packet are 2 forms you need to complete and return as instructed.

The first form is the Application Form (should take you 30 minutes max to fill out). The second form is the GPA verification form, which your guidance counselor fills out for you. **EASY!!** But don't procrastinate since these 2 forms must be sent to us (postmarked) no later than the **application deadline: Friday February 9, 2018**.

Save the Date: The **Academic Exercise** will be held **Saturday (starts at 8:30 am) February 17, 2018** in Belle Glade at the Sugar Cane Growers Cooperative of Florida. College awards will be given to the highest-performing students. Typically, the Academic Exercise will include short essays and questions involving math, general science, and current events. The test should take about 2 hours or so. General knowledge of the sugar industry is helpful. **Bring a calculator and ID.**
