

VOLUNTEER to SERVE as REVIEWER for the JOURNAL of the ASSCT

Referees evaluate the merit of technical articles submitted to the Journal of the American Society of Sugar Cane Technologists. Authors have the primary responsibility in assuring that their articles are of excellent quality. The editors and reviewers also play an important role in determining the quality of the journal. You can help us maintain the high standards of previous and current Journal editors by offering your assistance as a reviewer. To do so, complete the form on the bottom of the page and return it to ASSCT Journal Editor
