

American Society of Sugar Cane Technologists
Evaluation Form
for
The Denver T. Loupe Best Presentation

Presenter: _____ Section: _____ Date: _____

Assign a score for each category based on the scale presented below. Keep in mind that 10 is outstanding and an average score would be 5. Each category is weighted based on a percentage and the maximum total score is 100. The final calculations can be made after the session is completed.

Rating Scale (1 to 10) as follows:

1 2 3 4 5 6 7 8 9 10

1. **APPEARANCE (10%)** - voice, language, nervous habits, physical mannerisms, other distractions.

Score _____ x 1.0 = _____

2. **JUSTIFICATION/RESULTS/CONCLUSIONS (35%)** - subject justified, methodology appropriate and explained, results summarized concisely, conclusions drawn.

Score _____ x 3.5 = _____

3. **PRESENTATION (35%)** - visuals easy to read with no spelling errors, presentation was of sufficient length to allow for questions within the time allotted.

Score _____ x 3.5 = _____

4. **IMPACT (20%)** - information presented has potential impact on the industry and/or other scientific studies.

Score _____ x 2.0 = _____

TOTAL SCORE _____
